Webster on 2022 Elections

Webster on 2022 Election

“Last week, Rep. Sabatini called me to say he was running for Congress, but that he did not intend to run against me. Today, he has chosen to file his paperwork for Congressional District 11 instead of another district. I never take reelection for granted. I work hard every day to serve my constituents and campaign hard every election. I am focused on serving my constituents and earning the opportunity to keep fighting for them and our conservative principles next Congress – hopefully with a new Republican Majority!

“Republicans must focus on stopping the blatant socialist agenda and complete takeover of Congress by the Democrats or we will lose the values, Constitutional rights and freedoms that make this the greatest country in the world. It is an honor to serve the Floridians across Lake, Sumter, Hernando, Citrus and Marion counties that live in CD -11. For the last 4 years, I have fought in the trenches on their behalf with President Trump, Vice President Pence and fellow conservatives to empower families, value life and protect our constitutional liberties. I am committed to continuing to work hard to block the Democrats’ liberal agenda and earn the support of my constituents once again in November 2022.

“My record of fighting for our conservative values and putting hardworking Americans first is clear. I’ve gotten more than \$10 million in retroactive benefits, compensation or pension payments returned to veterans in my district from the VA; helped pass the Paycheck Protection Program; and have stood up to Nancy Pelosi, her liberal colleagues, and the Washington establishment to oppose their DC mandates that trample on our freedom and liberties.”
